The Investment Opportunity

The Reitway Enhanced Global Property Fund (MLT) is an investment product that provides investors with a geared exposure to a portfolio of REITs and REIT-like equities.

Investors need to be aware that the gearing magnifies returns (and losses) and is aimed at those seeking geared upside to a Global Property Fund.

The fund is domiciled in Malta, priced daily, and can be entered using USD, GBP and EUR.

In addition, investors benefit from the Reitway Enhanced Global Property Fund (MLT) being a roll up fund, where the excess income earned over and above the cost of the interest is not taxed

Fund objectives

The fund's primary objective is to generate high current income; however, investors will reap the inherent benefits of capital appreciation that come with real estate assets.

Mandate Compliance

The Fund remains within the reporting fund regime as at the date of this report

Regulatory

The Fund is managed as a Qualified Investor Hedge Fund according to BN52 of the Collective Investment Schemes Control Act and available to qualified investors only. The Fund prescribes to the principles of best execution and the Risk Management Framework incorporates best practice for the management of liquidity, credit and operational risk

Collective Investment Schemes are generally medium to long term investments. The value of participatory interests may go down as well as up. The investment manager does not provide any guarantee either with respect to the capital or the return of a Fund. Different classes of units apply to the Fund and are subject to different fees and charges. The fees and charges for each class are available in the Offering Memorandum. The investment manager has a right to close Funds to new investors in order to manage them more efficiently in accordance with their mandates. Commission and incentives may be paid and if so, will be included in overall costs. Income is re-invested on the re-investment date. Actual investment performance will differ based on the initial fees applicable, the actual investment date and the date of reinvestment of income. Dealing prices are calculated on a net asset value and auditor's fees, bank charges and trustee fees are levied against the Funds. The fund is traded at ruling prices. Performance is calculated for the Fund. The individual investor performance may differ as a result of initial fees, the actual investment date, the date of reinvestment and dividend withholding tax. Income distributions are included in the performance calculations prior to deduction of applicable taxes. Performance numbers and graphs are sourced from information provided by JTC Fund Solutions (Guernsey) Ltd. Performance figures are calculated on a NAV to NAV basis over all reporting periods. The investment performance is for illustrative purposes only. The investment performance is calculated after taking the actual initial fees and all ongoing fees into account. The reinvestment of income is calculated on the actual amount distributed per participatory interest by using the ex-dividend date NAV price of the applicable class of the Fund, irrespective of the actual reinvestment date. Prices are published on Bloomberg daily. The Reitway Enhanced Global Property Fund is a professional investor fund that has been approved by the Malta Financial Services Authority. None of the information or opinions expressed in this document constitute an offer to sell or the solicitation of an offer to buy securities. This material is for information purposes only. The Reitway Enhanced Global Property Fund has been approved by the Financial Sector Conduct Authority under section 65 of CISA for distribution in South Africa.
